### Call for Contributed Papers

Prospective authors are invited to submit their papers electronically through the conference web site. Accepted paper(s) must be presented at the conference by one of the authors to appear in the UIC 2022 proceedings.

### Call for Contributed Papers

The goal of invited sessions and tracks is to provide focused discussions on new topics or innovative applications. Each respective session/track organizer must submit a proposal, including the title of the session and a list of authors with extended abstracts.

### Industry-Focused Sessions

In addition to the traditional topic areas, the Technical Program Committee is soliciting papers that focus on industrial issues. By bringing together researchers from industry and academia, we hope to foster collaboration and promote transfer of ideas among these communities.
